

# Rokesly Junior School

Working Hard. Aiming High. Learning Together.

# Welcome

**Rokesly Junior School is committed to developing independent, resilient, lifelong learners who are equipped with the knowledge and skills needed to succeed in today's modern world.**

With high expectations of all our pupils, our dedicated team of teaching and support staff aim to nurture each child's individual strengths so that they can achieve at an outstanding level. From academia to sport and music to art, we strive to build a curriculum around the pupil to both challenge and encourage them to work hard and aim high, whilst learning together.

We believe it is important to inspire pupils throughout their learning experience and therefore provide an array of enrichment experiences during the year. They benefit from educational trips and visits, workshops and taster days at local secondary schools, and an extensive range of extra-curricular activities where they can flourish as individuals and develop key life skills.

Recognising the importance of encompassing the richness of diversity and culture into our school, we take every opportunity to engage with our parents and wider community and celebrate all that we do.

I look forward to meeting and welcoming you to our wonderful school in the near future.

**"Pupils are offered a good breadth of curriculum experiences. These are enriched by additional opportunities such as a recent art project with the Royal Institute of British Architects." Ofsted, 2019**

**"My child is happy and making good progress. He has a great, enthusiastic, approachable teacher who is helping him develop and grow with confidence."**  
**Parent**

**“This school is amazing. My son is now in secondary school and he is what he is because of Rokesly; and my daughter couldn’t be happier.” Parent**

**“My favourite thing about Rokesly is that we are all from different countries around the world!”
