Working Hard Aiming High Learning Together

Visits/Visitors

Year 6

If you are following us on Instagram you would have seen photos of year 6 on the annual residential trip to Pendarren. They have taken part in activities such as caving, canoeing and orienteering.

Thank you to all our staff who made it possible for the children to have such a wonderful and enriching experience by giving up their time to accompany them.

Year 3

Over the course of a year, each year group learns about the continent that their year group is named after. Iroko Theatre Company visited the school on Wednesday to work with year 3 on story telling through dance, drama and drumming. This year the message they were sharing was about the impact of climate change on different communities. I really enjoyed the performance by the children and the parental participation. Thank you Iroko!

Clubs

Our autumn term 2 extra-curricular clubs are now in place. Please see the attached list.

Assembly

Parents/Carers are invited to attend their child's class assembly. Well done to the Czech Republic class for an informative and well-presented assembly this morning. Please see the list of dates for class assembly dates later on in the term.

PSA

All current parents and staff are automatically members of Rokesly parents staff association (PSA). Please come along (virtually) to the next meeting on Wednesday 17th November.

Individual Photos

The school photographer will be visiting the school on 25th November for individual and family group photographs. If you would like a siblings photograph, please submit your request via
